

# Digital Visual Design

Semester 1 | Level 4

Subhan Ali

**Redesign a webpage**

# Prompt

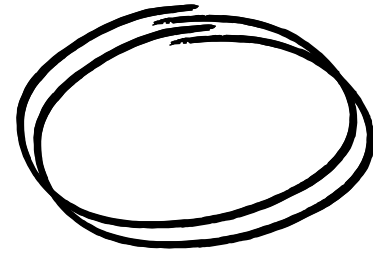

Select the homepage of any business website of your choice, such as a brand, hospital, university, school, etc. Avoid the web pages that are too busy.

Redesign the web page.

You **CAN NOT** change the information but you can change fonts, size and colors.

You are encouraged to get creative, keeping the Elements and Principles of Visual Design in mind, with focus on Usability.

Pick **Desktop** Width for your frame in *Figma* and height can expand based on content.

Thank you
